Bringing Clarity
TO YOUR Health Plan Data

Capital BLUE 

Capital BlueCross is an Independent Licensee of the BlueCross BlueShield Association

Innovative Platform

Capital BlueCross is leveraging the power of an advanced analytics platform to bring clarity to your health plan data. The Theon Care Engager™ platform, imagined by Geneia, is designed to make the complex simple, giving you the ability to easily:

- Make informed decisions
- Visualize the most critical data
- Streamline plan management
- Identify care opportunities
- Reduce waste and redundancy

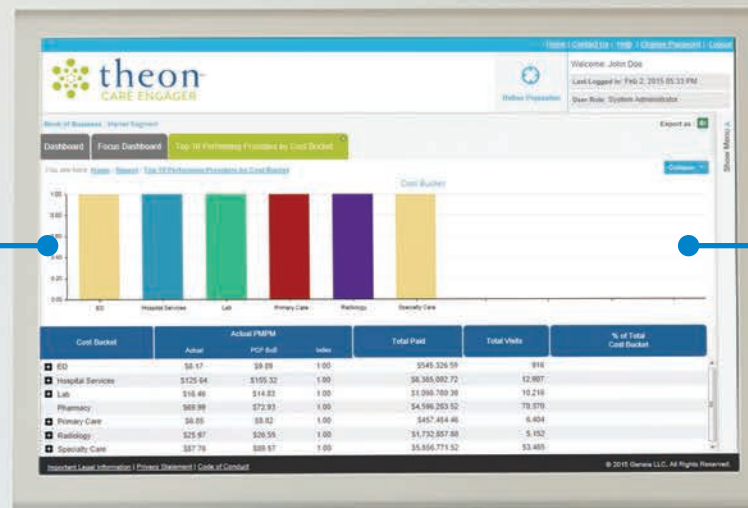

Consulting and Technical Support

Personal consulting and technical assistance is always just a phone call or click away to help you maximize this powerful tool.

Convenient Access

Accessible on your Capital BlueCross Employer Portal, Theon features:

- A customizable, user-friendly dashboard
- Drill-down and filter functionality to refine results
- Daily updates of admission and discharge measures
- Monthly utilization and quality metrics
- Action reports in customizable formats including executive summary, high-dollar claims, and patient utilization
- The option to export reports to Microsoft Excel

Meaningful Data

What health conditions are MOST PREVALENT among your employees?

What health care services are UTILIZED MOST frequently?

What are the KEY DRIVERS of your plan's costs?

How can you BEST ANALYZE your health plan data to uncover meaningful and actionable information?

Capital BlueCross
Empowering you with insight to be more informed, strategic, and decisive about your health plan, so we can **ACHIEVE EXCELLENCE TOGETHER.**
