

UnitedHealthcare offers an option created specifically for **LVBCH** members.

UnitedHealthcare is committed to helping people live healthier lives™. And as a fellow member of the Lehigh Valley Business Coalition on Healthcare (LVBCH), we know you consider the health of your employees a top priority. With this in mind, we're offering LVBCH members a lower-priced self-insured option that includes pharmacy and many other programs and services to assist your employees in living a healthier life.

Our improved offering is available to businesses with 100-3,000 employees. It includes medical coverage as well as the following:

- Pharmacy benefits.
- Behavioral health benefits.
- Wellness programs.
- Member support tools.
- NurseLineSM services (available 24 hours a day).
- Virtual visits with doctors.
- Wellness dollars.
- A national network of more than 859,000 health care professionals and 5,650 hospitals.

UnitedHealthcare provides tools and resources to help employees to live healthier lives. That may mean reduced absenteeism, improved productivity and lower costs for your business. It's a win-win situation for both you and your employees.

We are proud to be an endorsed LVBCH partner and ask that you consider UnitedHealthcare the next time your health care coverage is up for renewal.
